(Children's Collection June-Aug)	

This is a list of charitable causes that you as St. Mary's Parishioners have helped to support through your generous donations so far this fiscal year. Thank you for your support of these organizations!

Total of charitable donations made possible by YOU:

**\$23,758.95**

\*Collections marked with a star are special collections that the Diocese of Boise asks each parish to take part in. In addition to the collections marked above, there is also a collection for Support for Diocesan Vocations, which takes place in June each year (has not yet occurred for this fiscal year). If you receive Contribution Envelopes, which are mailed to your home every two months, special envelopes for these collections are included in your envelope packets. Please keep an eye out for the Vocations envelope on June 3rd. Your support for these various collections makes a difference both within our diocese and world-wide! Thank you for your outstanding generosity!
